Preston Community Transport is a charity concerned with mobility & access.

Volunteer car schemes run by us operate using volunteers in their own, personal cars.

There is no guarantee of transport - we will do our best to match you with an available and willing volunteer. The volunteers are not employed and this is not a taxi service. If you need transport at short notice, you should call a local taxi or private hire company. We need around 48 hours notice to arrange a volunteer and to prevent us unfairly competing with taxi/private hire.

If you are eligible for Non-Emergency Patient Transport, provided by the NHS, then you should use that free service. Their contact deatils should be on your appointment letter - if not, contact the team looking after you. If you are unable to make an arranged trip, please let us know, we can then avoid wasting a volunteer's time.
